WASHINGTON, D.C. – Tasha “TC” Cooper, a bestselling author and award-winning business leader, continues to be excited about the success of her Amazon #1 new release in Christian Stewardship and Christian Leadership entitled “52 Simply Powerful Prayers for Christianpreneurs.” This book is the most recent addition to her #FaithFocusFlow series and provides both established and aspiring business owners with powerful prayers designed to help them bridge the gap between their dreams and their reality.

“Prayer is the key to transforming the vision God has placed in your heart for your business into reality,” said Ms. Cooper, president of UpwardAction® and founder of the CooperZone™ Social Media Training Academies. “I wrote this book for all of the Christianpreneurs throughout the world who are putting in the late nights and early mornings to build businesses based on biblical principles. I believe it’s an essential resource for any Christian professional seeking guidance as they pursue their career and business goals.”

According to TC, “52 Simply Powerful Prayers for Christianpreneurs” was revealed to her during the course of a long weekend. The book features prayers to help readers tackle any number of challenges that entrepreneurs face, including a prayer for joy through the ups and downs in business, a prayer for courage to do what is necessary and a prayer for proper action in the right season.

Ms. Cooper hopes her book will help to activate entrepreneurs’ prayer lives. She structured the book to help entrepreneurs begin writing their own bible-based prayers to help ingrain the Word of God in their lives and in their businesses.

Ms. Cooper’s books have earned rave reviews and endorsements from entrepreneurs, authors and media personalities. Dr. Willie Jolley, host of *The Willie Jolley Show* on Sirius XM, offered high praise for the first book in her #FaithFocusFlow series, “52 Lessons for Christianpreneurs,” which became a #1 Amazon bestseller.

*“TC Cooper has written a book that shows you how to put your faith to work, and help you to grow your productivity and your profits,” said Dr. Jolley. “I believe this book will not only empower you, but will also uplift you and bless you mightily.”*
